

**WOW!!!**

We are so proud of Cathy for winning not once but twice at the Annual Carlsbad Chamber of Commerce 2023 Volunteer Award Program.

Cathy won **Member of the Year in the Aging Services Committee**. She also won the **Go-Giver Award** for the entire Chamber of Commerce for 2023.

The Aging Services Committee is a group engaged senior services industry partners who gather for education and for benefit of seniors in the area. Cathy helped found this very successful committee.

The Go-Giver Award is provided for the individual who best embodies the principles of giving, sharing and helping that were introduced in the book of the same name.
